

XOOPS Nordic Calling Finland! - XOOPS

NEWS\_PDF\_AUTHOR: Mamba

NEWS\_PDF\_DATE: 2008/4/21 11:30:00

We are making [Xoops Nordic](#)... a portal for local Xoops sites in Norway, Denmark, Sweden and Finland...

It will serve as a central hub for all XOOPS users in those countries, syndicating news and information from our local sites, so users can see what's happening around them up north...

We need a Finnish user with some experience to join our team... If you are interested please pm [Runeher](#) or [anderssk](#)
