

XOOPS changes its theme to Zetagenesis - XOOPS

NEWS_PDF_AUTHOR: Mamba

NEWS_PDF_DATE: 2008/4/27 9:40:00

It's always important to walk the talk, so today we're switching to Zetagenesis Theme, which is one of the standard themes that we'll be delivering with the Core.

This theme will be also utilized across different XOOPS sites, so we can achieve consistent look and feel for our users.

If there are any problems with the theme, or if you have any improvement suggestions, please let us know.

Enjoy the new look of the new XOOPS
