Hello,

I've opened a new Turkish comics web site. Karikatur Dunyasi

<http://www.karikaturdunyasi.com>

I used following modules with xoops 2.0.18.1

- extgallery
- liaise with chapta
- sitemap
- rw_banner
- logcounterx
- mastop_publish
- newbbex

This is a new website and I'll improve banner and logo part of website but I wanted to share it.

Best regards

Hirac
