

bdcategories - Modules

NEWS_PDF_AUTHOR: batdevis

NEWS_PDF_DATE: 2002/9/18 18:11:29

hi everyone,
I've created a category module.

You can link News to a category, so you can access them by topic (in the demo:offices), or by category (in the demo:procedures, users list...), like phpnuke.

demo: <http://batdevis.it/bdcat01>

download: <http://batdevis.it/bdcategories.tar.gz>

email: webmaster@batdevis.it

aloha!
