In our continuous drive to improve the XOOPS Website, thanks to [Burning](#), we are testing a new Theme Gallery:

<https://xoops.org/modules/extgallery/>

which is based on the excellent [ExtGallery](#) by [Zoullou](#)!

Please let us know what do you think about it, and if this would be an improvement over the current [Theme Library](#). Which library is more user-friendly, and makes easier to find a theme?

We very much appreciate all the help from [Burning](#)!!!
