Sorry for my english 😊

Then here are, that I received the files languages here the 3 blocks (news, downloads & links).
Thanks to w4z004, liya, to the traduction 🙏

These block make it possible to see the total, the number of the hits, and the last and them + in each desired categories. The Block are éditables since the admin via the panel of management of the block (activated or not the scrolling, in which direction, and the desired number)

Beer mug it [Here](#)
