

MYPUZZLE v1.0 - The Puzzle Module - Modules

NEWS_PDF_AUTHOR: _metemet_

NEWS_PDF_DATE: 2008/9/7 21:30:00

MYPUZZLE

© by Metemet / Turkey / <http://www.xoops-tr.com>

Module Description:

- * MyPuzzle is a simple module that uses jquery library and jqPuzzle plugin
- * You can make categories and add them puzzles easily. So preparing fantastic puzzles is not so hard.
- * After finishing a puzzle, users' results are saved. So you can make your site a competition area.
- * Mypuzzle also has fantastic visual effects and also it is easy to install.

I hope you will like it.

::: DOWNLOAD :::

[Download MYPUZZLE](#)

Demo will be available later in

<http://www.xoops-tr.com/modules/mypuzzle/index.php>

Thanks for comments.
