

Shopping - Themes

NEWS_PDF_AUTHOR: mariane

NEWS_PDF_DATE: 2008/9/12 9:34:43

Shopping theme, based on default theme, is made to be used with ecommerce websites, especially that we have now a great module : Oledrion

-Width 880px

- 3 columns

- Easily editable CSS

you can download the english version from [here](#)

and the arabic version from arabxoops.com

hope it will be a useful theme 😊

my next post will be soooooon but this time to announce my first module
