[test price](#) is my product blog base on XOOPS 2.0.18.2. I've built this page with the following XOOPS modules:

wordpress 2.11  
yogurt 3.3  
weblinks 1.9.1  
rssc 0.9  
contact 1.6  
sitemap 1.3  
logcounterx 2.7

I've rewritten my XOOPS urls with the xorewrite module. Many thanks for this great code. 😊
