Sinnedesign is my [Xoops Themes](#) Site base on XOOPS 2.0.18.2. I've build this Xoops Site with the following XOOPS modules:

yogurt 3.3

weblinks 1.9.1

wordpress 2.11 thanks novasmart

d3 Forum 0.8.4

My first free Xoops Theme [Sinnemax-001-red](#) is finished. You can download this theme after registration.

I hope you have fun with my site. 😊
