Sinnedesign is my Xoops Themes Site base on XOOPS 2.0.18.2. I've build this Xoops Site with the following XOOPS modules:

yogurt 3.3 weblinks 1.9.1 wordpress 2.11 thanks novasmart d3 Forum 0.8.4

My first free Xoops Theme Sinnemax-001-red is finished. You can download this theme after registration.

I hope you have fun with my site. $\textcircled{\textbf{4}}$
