This is a theme I just put together for you all, it is called **Knights of the Ascii Table**. It has a nice appeal and function equist display it is based on one of the other finer quality themes you can see.

As you can see it is one of those great photos of medieval days and much meed was enjoyed by all..

Here is a screen capture:

Demo :<http://tao.ess.io/>

Download: [xoops2-theme-knightsofascii.zip](#) (The PSD is a bit large) 7 mbs

Licence: PDBL (Public)

Took me around 20 minutes to make these changes..
