[Academy of life](#) is a charitable trust working towards making people self empowered to live there lives happily. Its a sister concern of International Academy Of Life.

The site is based on the following modules:

1. Mastop publish
2. Smartsection
3. Extgallery
4. Tell a friend
5. Multimenu
6. Marquee
7. Iframe

And Xoops 2.3.1

I will like to thank all the xoops community, for providing such a great CMS. For somebody with no programming knowledge I have been able to make 3 sites with it and I am sure many more are to follow.

Also just let me know of how you find the site and the ways to make it better.

Thanks again.
