<u>Academy of life</u> is a charitable trust working towards making people self empowered to live there lives happily. Its a sister concern of International Academy Of Life.

The site is based on the following modules:

- 1. Mastop publish
- 2. Smartsection
- 3. Extgallery
- 4. Tell a friend
- 5. Multimenu
- 6. Marquee
- 7. Iframe

And Xoops 2.3.1

I will like to thank all the xoops community, for providing such a great CMS. For somebody with no programming knowledge I have been able to make 3 sites with it and I am sure many more are to follow.

Also just let me know of how you find the site and the ways to make it better.

Thanks again.
