This theme have 3 columns and tested with xoops 2.3.1 ! I use Morphogenesis 2 template and (( radius )) css tag for firefox , chrome , safari like it

```
-moz-border-radius: 20px; /*for firefox*/  
-webkit-border-radius: 20px; /*for chrome and safari*/  
border-radius: 20px; /*for css3 if supported*/
```

for edit marquee text please edit:

news\_center/xotpl/xotopheader.html

I think you can use marquee module whit boox module from [instant-zero](#)

I hope this theme work without problem and you like it! :hammer:
