Hi Xoopser,

Here is my travel catalog and blog portal of the top travel regions from the world.

The site build using

- xoops 2.0.18.2
- wordpress 2.0.11 from NovaSmart
- logcounterx 2.72
- protector 3.2

I have generated clean urls with XoRewrite and wordpress.
If you have any questions, feel you free and ask me. 😃

My lovely travel destination is Italien.

In the next time i'm planning an upgrade of xoops-2.3.1.

And here is my site Reiseziele and here is my travel feed

regards, nice weekend and happy Xoopsing.
