I have made a easy mod to make page in XooPs,It is using wysiwygeditor, so it's for IE only..

You can make:

Pages with auto link in sideblock.

A singel Startpage. (home.php).

Upload images to a mini gallery.

Pre made boxes with css (/easyweb/include/easyweb.css)

You can grab it here..RC3.0.5 or CVS

[EasyWeb 1.0 RC3.0.5.zip](#)

[EasyWeb 1.0 RC3.1.0 cvs.zip](#)

Have funn..
