4 Community Theme (APH002) - Themes

NEWS_PDF_AUTHOR: aph3x

NEWS_PDF_DATE: 2008/12/7 12:00:00

4 Community theme has 3 columns and it was tested on XOOPS 2.3 final using modules such as Planet, News, Webshow, Yogurt for compatibility check.

It contains 4 different styles where each style represents a color, default color is Blue, although with a minimum of coding it can be set to whatever color you like (from those available).
Theme is free to use and redistribute

Although i would appreciate if you leave my link in the footer, you are free to remove it

For support with the theme feel free to post in the forums
