This one is my web design and web development company website. <http://makingdestiny.info>

It is based on xoops 2.3.2b, and modified zetagenesis theme

Modules used:

Smartsection for basic content and testimonial section

Smartclient for portfolio section

cbb 3.08 for support forum

contact 1.6 for contact us form.

Kindly give me suggestions as to the themes and how to improve the look and feel of the website.
