

Updated news expiry date hack - Hacks

NEWS\_PDF\_AUTHOR: Herko

NEWS\_PDF\_DATE: 2002/9/29 16:55:40

I have updated the news expiry hack

- Tested the hack for RC3.0.5 compatibility;
- Extended the changelog on the readme.txt, now every code addition and change is fully listed (so now you can incorporate the hack into your own modules and hacks);
- Done some small code and archive cleanups.

There now are two versions of this hack: one 'simple' version that just adds the option to set an expiry date to news posts, and one 'advanced' version with FinalFiler's WYSIWYG editor integrated.

[Link for zip file of hack WITH wysiwyg integration.](#)

[Link for the updated zip file of the original news hack.](#)

Hope you enjoy these hacks

Herko

p.s.: [ModsCentral link to wysiwyg editor by FinalFiler, without expiry date hack.](#)
