

Themes Tutorial v2 Now UP and Ready! - XOOPS

NEWS\_PDF\_AUTHOR: mC1

NEWS\_PDF\_DATE: 2002/9/30 16:43:16

OK, so now I've ironed out the bugs... everything is in working order! The theme that you produce using my tutorial should now work properly with no weird extended tables.

I recommend to anyone that downloaded v1 to download v2 and re-create their theme. I appologize once again for any inconvenience.
