Hi Xoopser,

i have upgrade my dsl blog and [dsl vergleich](#) portal from Xoops-2.0.18.2 to the current Xoops-2.3.2b Version and i'm happy. 😊

the database working now under utf-8.

I've used the following XOOPS modules:

- wordpress
- yogurt
- d3forum
- weblinks
- rss center
- sitemap

[DSL Anbieter](#)

i hope you like my site. 😊

many regards and happy XOOPSing
