

UserPage : offer mini blogs to your users, version 1.4 - Modules

NEWS_PDF_AUTHOR: Mamba

NEWS_PDF_DATE: 2009/2/22 2:10:00

[Instant-Zero](#) has released a new version of their Xoops module **Userpage**.

Changelog

- Code refactoring
- Better support for Xoops 2.3.x
- The module's templates were modified (pages and blocks)
- You can now use url rewriting
- You can select the editor you want to use
- There were some changes in the translations (see lang.diff)

More info & Download:
