

My Island of Love and Yogurt Development - YAXS

NEWS_PDF_AUTHOR: FeraTechInc

NEWS_PDF_DATE: 2009/2/24 12:20:00

My Island of Love is proud to announce its support of the "Yogurt Social Network Module"

We hope to continue the development of this great module as we expand the capabilities of our website.

We would like to invite everybody to **REGISTER** on our website. Post comments and participate in our community.

We strive to the be the most flexible user driven social networking website.

Also you can download the Yogurt and Xoops 2.3.2 profile hack right HERE!
