News and Entertainment free theme - Themes

NEWS_PDF_AUTHOR: mariane

NEWS_PDF_DATE: 2009/3/1 14:30:00

I present you today my new theme : News and Entertainment, useful for entertainment or news portals that works with all XOOPS versions.

- Width: 90%;
- 3 columns
- Easily editable CSS

Software required for editing: notepad or any HTML Editor , Photoshop. Included are PSD, Fonts and the theme.

As always the theme is available in english and arabic.

To download the arabic version visit http://www.arabxoops.com, and to get the english version click here

hope you will like it.
Kind Regards
Mariane
