

SPOOX Video training and more - YAXS

NEWS\_PDF\_AUTHOR: chco2

NEWS\_PDF\_DATE: 2009/4/1 18:40:00

Designburo.nl is proud to announce a new XOOPS website called "[SPOOX](#)". This website will be focusing on training videos and other related training materials. The site is still gathering resources, but a full XOOPS Installation Guide video is currently available for download.

A complete XOOPS webbuilding course is also planned for a release mid this year.

For a first glance at the introduction video have a look at this youtube posting:

Modules used:

Oledrion! WF-Downloads; Formulaire; WF-Resource; WF-Channel; News; XOOPS Tag and Cumulus.
