

Whatnews (counting of the visits) - Modules

NEWS_PDF_AUTHOR: inconnue_team

NEWS_PDF_DATE: 2002/10/9 19:15:06

You want that the block shows the visits?? then in the module whatnews, admin add:

table : v2_visitors

Champ date : UNIX_TIMESTAMP(date)

Description : Visiteurs

lien : modules/visitors2/index.php

thus you will have the account for today, yesterday and week of your visits on your site 🏠
