

Server migration this weekend - XOOPS

NEWS\_PDF\_AUTHOR: Mamba

NEWS\_PDF\_DATE: 2009/4/29 10:00:00

We will be moving XOOPS Websites this weekend (starting Saturday, May 2nd, 8 AM GMT) to a new server. In order to ensure data consistency, we'll close the Websites for that time.

We hope to re-open the the XOOPS Websites later that weekend.

Please be patient with us, and use [SourceForge](#), as well as our [XOOPS local support sites](#) during that time.
