

Music Site using Xoops - YAXS

NEWS\_PDF\_AUTHOR: lykoszine

NEWS\_PDF\_DATE: 2002/1/12 0:19:13

Finally, after much heartache and pestering you guys in the forums my site is now up and running xoop.

<http://www.umbrage.nukien.com/htm> It is about music, metal to be more specific, so the content probably won't please most of you. I would welcome feedback on layout and usability though. Thaks to everyone in the forums who took the time to answer my questions Sam
