Hello Friends!

When I publishing **Techno Blue skin** v1.0 for XOOPS, I get more congratulations e-mail. Thanks to every XOOPS Users this.

I get bugreport too from Gilian, Shine, and more.

I end bughunting, and editing theme.php files. Now users comments not page bottoms, but users comment is at once under the article.

Visit newer working version: [comments displaying](#)

**Techno Blue skin v1.1** download now:
