**It's time to vote on the proposals - please go to [our Theme Poll](#) to cast your vote!** The poll expires on **Sunday, July 12th, at 10 PM EST**. The winner will become the "default" theme for XOOPS. The other two, if the authors provide them finished, will be added to "Theme Selection" so the XOOPS Website users will be able to select any of them as their default. In the meantime, please continue to provide feedback in [this thread](#)
