I'm happy to present my new FREE XOOPS: « ithri_13_colors_box » 3 column, width:860px, css selector , based on the default xoops theme , with integration of JQuery Effects.

The effects integrated are :

- sliding boxes and Caption with JQuery .(like maitesco_classic theme)
- color change with JQuery .(like xd-moments theme)

added :

- horizontal drop down menu.
- Vertical menu on the left.
- Five (5) colors : green, brown, red, purple, blue.

Downlad here :
