I'am happy to present my new FREE XOOPS: « ithri\_13\_colors\_box » 3 column, width:860px, css selector , based on the default xoops theme , with integration of Jquery Effects.

The effects integrated are :

- sliding boxes and Caption with Jquery .( like maitSCO\_classic theme)
- color change with Jquery .( like xd-moments theme)

added :

- horizontal drop down menu.
- Vertical menu on the left.
- Five (5) colors : green, brown, red, purple, blue.
