We would like to create **XOOPS User Groups** all over the world, and start connecting with each other where we live, something similar to what [CK2 Club did in Taiwan](#)

For those of you who are on Facebook, you can become fans of some of the XOOPS local support sites or join our XOOPS Facebook Groups, and start connecting with each other.

The XOOPS User Group which will get organized and will conduct its first meeting by the end of the year, and will have the most members, will get attractive prizes!

So the challenge is on!!! 🏆

And hopefully, this will help us to have also our [XOOPS Development Summits](#)
