

YESSERA - Migration to XOOPS - YAXS

NEWS\_PDF\_AUTHOR: mboyden

NEWS\_PDF\_DATE: 2009/8/31 2:40:00

I just released another small site built on XOOPS -- for a non-profit that helps enable people in Ethiopia to become more self-empowered and self-supporting: [YESSERA](#). Mainly just an information and recruiting site and an interactive upgrade to their existing site. They didn't want much except to be able to edit existing pages easily and to have more ongoing news publishing.

**XOOPS:** 2.3.3
