

ICOS 2009 Opens Today (using XOOPS for their Website) - XOOPS

NEWS\_PDF\_AUTHOR: Mamba

NEWS\_PDF\_DATE: 2009/9/25 8:10:00

[ICOS 2009 \(International Conference on Open Source\)](#) opens today in Taipei. They expect more than 500 participants.

ICOS speakers include governors, legislators, business representatives, academic researchers, community development workers, non profit organization development representatives.

We are proud that both [ICOS 2009](#) and [SLAT](#) (Software Liberty Association of Taiwan) are using XOOPS as their CMS of choice.
