

Quick website from Brazil - Durafix Solda - YAXS

NEWS\_PDF\_AUTHOR: Imzan

NEWS\_PDF\_DATE: 2009/9/28 4:50:00

Hi there!

This is a simple website made in Xoops. To be more precise, made in 5 hours. I'm posting this here just to show how quick and easy Xoops can be, besides very powerful and reliable. And flexible. And it's getting better everyday!

<http://www.durafixsolda.com.br>

Have a nice week!

And lets spread Xoops all around!
