Grunge theme with a twist - Themes

NEWS_PDF_AUTHOR: kaotik

NEWS_PDF_DATE: 2009/10/16 15:40:00

This is a standard xoops theme with a grunge look. Code wise it was based on the default theme.
The real inovation is in it's main menu; It's tilted, generated dynamicly and also works in IE 6 (although more limited in terms of how many items you can have)

download
