Hello Xoopers,

I am happy to share with you my new xoops free theme : maitscobusiness.

The theme can be used in many kind of websites and as usually:

- Simple
- Easy Editable
- 3 Columns
- System redirect
- Available in 2 Languages
- PSD files and fonts are included

What's new in this theme:

- I integrate an easy jquery effect : Simple jQuery Slideshow (available in this website: <http://jonraasch.com/blog/a-simple-jquery-slideshow>) to give a nice effect to the header
- Successfully CSS Validated
- I added in the head of each block 3 icons for quick: Add, Delete, or edit a block

Hope you will like it, any comment or suggestion are most welcome
