The team [XOOPS-Taiwan](#) just updated their Website, and it looks fantastic with its new theme!!!

More and more XOOPS Sites are moving to new and fresh designs, showing off XOOPS capabilities.

We are very excited about all the new changes, updates, and new XOOPS developments around the world!!! It's good to see that so many people believe in XOOPS, and want to contribute to it, and make it better!

If you want to share any XOOPS news from your country/region, please let us know. We want to learn about it....
