NEWS_PDF_DATE: 2009/11/9 18:30:00

Packt Publishing just announced the list of **2009 Open Source CMS Most Valued People**

We are extremely proud and happy that **XOOPS Lead Developer, Taiwen Jiang (aka phppp)** made this short and very exclusive list!!!

Congratulations!

XOOPS is competing in the "Best Overall Open Source CMS" Category, and the results will be announced on Friday, Nov. 13th.
