Hi Xoops Friends,

webmystar is proud to announce that our online shop goes online with XOOPS-2.3.3.

We have build the XOOPS Site with following Hacks and Modules:

- XOOPS 2.3.3
- XoRewrite for clean url structur
- Defacer (tanks @trabis) for optimized meta tags
- Simplywiki (patched) for our amzone shop
- Protector
- Altsys
- Pico
- Sitemap
- Logcounterx

If you have questions feel you free and ask me. 😊

Take a look in our Section English Books.

Have a nice Day. 😃
