

Environmental education for kids (<http://pikaiprijateljji.com>) - XOOPS

NEWS\_PDF\_AUTHOR: ajgour

NEWS\_PDF\_DATE: 2009/11/21 18:20:00

Croatian non profit organization KNEJA (<http://kneja.hr>) has made an educational environmental web site for kids: <http://pikaiprijateljji.com>. Site is do-it yourself manual on sustainability in practice. Under the hood is Xoops 2.41 and Mastop Publish which is a most powerful module for Xoops at this moment (for static pages)! Site is completely on Croatian. Thank's to all Xoops developers!
