

POP3 Email Module Updated - Modules

NEWS_PDF_AUTHOR: talunceford

NEWS_PDF_DATE: 2002/10/27 18:50:53

The POP3 Email module has been updated with a few small changes to the default theme. Please refer to the change log for the updates. Anyone that has downloaded it is advised to download the newest version.

You can download the new version [here](#). The download requires that you obtain a membership if you don't have one already.

Thanks for your support,
