We are happy to [Re-launch this site](#), after been left in the dark for 2 years.

The new site Contains Latest Xoops Version plus the following Modules

1. News (with URL friendly hack) thanks to xoops argentina for this.
2. Videos Module (xoopsstube)
3. Torneos (Custom made soccer module from Xdigitalnet)
4. Tags (thanks to module developers)

Theme by me :)

Hope everyone who is a mexican soccer fanatic will [visit us](#).

Cheers
