Trabis joins XOOPS Council - XOOPS

NEWS_PDF_AUTHOR: XoopsCouncil

NEWS_PDF_DATE: 2009/12/22 15:50:00

We are happy to announce that Trabis (Ricardo Costa) will take over coordination of XOOPS Modules Team, and will join the XOOPS Council

Trabis has been a tremendous help this year by leading the XOOPS 2.4 development, contributing several innovative modules, and helping the community with hacks and advise on XOOPS Support forums.

He is a recipient of XOOPS Innovator Award and XOOPSer of the Month Award.

To learn more about Trabis, please read his Interview

We are extremely happy to have him joining the XOOPS Council, and taking over the coordination of XOOPS Modules Team.
