Hi XOOPS Community,

I'm happy to announce that my German XOOPS [Travel Portal](#) goes online. I have rebuild the site with XOOPS-2.4.3 and the [travel blog](#) with xpress.

The Site use the follow XOOPS Modules:

- protector
- mysearch
- simplywiki
- logcounterx
- pico
- altsys
- sitemap
- contact
- xpress

URL-Rewrite:

- XoRewrite Modul

Xoops Version: 2.4.3
