[Ekskurzije i putovanja](#) is site about traveling for younger people from Serbia, mostly students. Via our page people can reserve excursion, summer vacation or see some [travel tips](#).

The list of excursions are in section called [putovanja](#). It's planned more to be added for summer and winter travel when season come.

The site is still in beta stage but it's fully functional.

Some destinations included are [Barcelona](#), **Rome**, **Venice**, **Nica**, **Cannes**, **Monte Carlo**, **Lisabon**, **Amsterdam**, **Paris**, **Vienna**, **Prague** etc.

The site is running on Xoops 2.4.4 @ PHP 5.2.12

Some of the modules used:

SmartSection (till Publisher arrive) with SEO/SEF URL's

xForms

UserPage

CBB 3 (soon)

Content 1.3 from MusS

Defacer etc...

The url is: <http://www.ekskurzije.net> (no screenshot*, just click it :))

* - Redesign is planned in few months, so stay tuned :)
