As previously mentioned here, XOOPS will have an **Annual "Marcello Brandao XOOPS Innovation Award"**, honoring the best XOOPS Innovations!

This year, to give every past Innovation winner a chance, we'll include all of them in the voting 😃

Please review carefully all the past Innovation winners (till January 2010), and select a person/team that you believe **made the biggest and best XOOPS INNOVATION within the last two years, from which XOOPS and our users benefit the most**

And then **cast your vote here**

The deadline for voting is Sunday, March 21, 2010, at midnight EST.

We would like to thank again to all our Innovators and Contributors!!! It is YOU and your contributions that make XOOPS grow and improve!!!
