As previously mentioned here, XOOPS will have an **Annual "XOOPSer of the Year Award"**, honoring the most dedicated members of our community!

This year, to give every past "XOOPSer of the Month" a chance, we'll include all of them in the voting 😬

Please review carefully all the past XOOPSer of the Month winners (till January 2010), read their interviews, and why they have become "XOOPSer of the Month", and select a person/team that you believe **made the biggest difference for XOOPS**

And then **cast your vote here**

The deadline for voting is Sunday, March 21, 2010, at midnight EST.

We would like to thank again to all our Innovators and Contributors!!! It is YOU and your contributions that make XOOPS grow and improve!!!
